# ROAST IN BAGS Medium

Roast in Bags helps you to prepare food in the oven. If you prepare a chicken for instance, your oven stays clean, and you do not have to wash every time. On top of these advantages your chicken will retain the natural food moisture and flavour. Roast in Bags are available in two sizes: Medium and Extra Large.

Order No.: DP003

## ADVANTAGES:

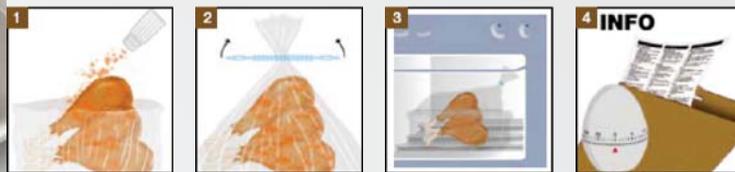

- Clean oven, more tender taste
- Seasoning can be added as desired
- 'Basting' no longer required; less work
- No need to add oil or butter
- Preserve the full and pure taste of the chicken

dimensions  
width: 38 cm  
height: 25 cm

## INSTRUCTIONS FOR USE

1. Place the chicken (seasoned as desired) in the roasting bag
2. Seal the roasting bag with the matching clip so that the steam can leave the roasting bag
3. Place the roasting bag in a dish at the bottom of the oven preheated at 200°C
4. General rule: 20 minutes p/500g + 20 minutes
5. Carefully cut the bag open at the clip when ready

# OVEN PROTECTOR

By using the Oven Protector, you do not have to use oil or butter any more. It keeps your oven, microwave or baking tins clean. The Oven Protector can be used up to 250 times and is therefore much cheaper in use than the usual 'baking paper'. The Oven Protector is dishwasherproof and can be cut easily to the required size.

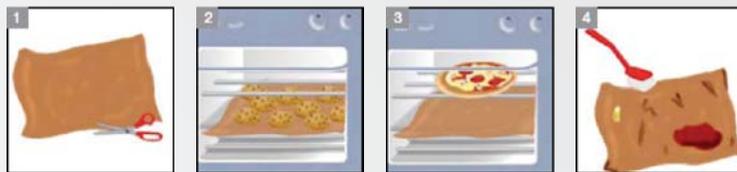

Order No.: DP007

## ADVANTAGES:

- No dirty, crusted baking tray / oven
- No need to add fat or butter
- Lasts up to 250 times
- Cheaper than baking parchment
- Also for microwave and baking tins

## INSTRUCTIONS FOR USE

1. Cut, where necessary, the OVEN PROTECTOR to size
2. Place the OVEN PROTECTOR on the baking tray
3. The OVEN PROTECTOR absorbs fat, oil, etc.
4. Wash up after use
